If you are already logged into your workstation at work using your UNBC credentials then you'll automatically access the learning management system and see any courses you are already enrolled in listed under "My Course".

The screenshot shows the UNBC website interface. At the top left is the UNBC logo with the text 'UNIVERSITY OF NORTHERN BRITISH COLUMBIA'. To the right are icons for a grid, chat, notifications, and a user profile labeled 'LW'. Below the logo is a navigation menu with items: 'More Courses', 'Calendar', 'Awards', 'Discover' (highlighted with a yellow circle), 'Support', and 'Training Videos'. The main content area is divided into two columns. The left column features a 'My Courses' widget with two course cards: 'UNBC Training and Development' (UNBC.HR.000007.TD) and 'Bear Awareness and Safety (2020)' (CS.NAT.000007.XENV). Below these is a 'View All Courses (2)' link. At the bottom of the left column is a dark green button labeled 'End User Support' and a 'Technical Support' section. The right column features an 'Announcements' widget with a title 'How to self-register other courses.' and a close button 'X'. The announcement text reads: 'Hello Lynda, If you're previously enrolled into *Training and Development - Health and Safety* course, the course should appear under My Courses widget. Otherwise, click **Discover** from the top menu to enroll yourself into other courses.' Below the announcement is a section titled 'How to use Discover:' with 'Step 1: click **Discover** from the top menu to enroll yourself into the course, you should see a list of courses available to'.

Follow the instructions in the announcement titled “How to self-register other courses” to locate the Sustainability course via the DISCOVER option. Type “sustainability” in the search field. Then click on the title **UNBC Training – Sustainability**.

Select the ENROL IN COURSE button.

Once you enrolled you can access immediately via the OPEN COURSE button.
