Appendix A – Timeline of Events	I
Appendix B – Newspaper Coverage: <i>The Interior News</i> 1970-2002	IX
Appendix C – Bulkley Valley Community Resources Board and LRMP Documents and Minutes	XXXII
Appendix D – Interviewees	XLV
Appendix E – Consent Forms, Questionnaires, and Ethics Approval	XLVII

Appendix A:
Timeline of Events

Year	Month	Event
1970	March	Society for Pollution and Environmental Control formed (SPEC Smithers): focus on Houston pulp mill
1976	July	Smithers Forest Advisory Committee formed (FAC); focus on AAC determinations
1976/1977		Fish and Wildlife Committee formed
1977	May	FAC public meeting: given mandate to continue
1978	August	Request to FAC not to hold any more meetings; changes in District boundaries pending
1979		Fish and Wildlife Committee in doubt
1980	October	BC's Chief Forester calling for public involvement
1981	January	Discussion of rebuilding Fish and Wildlife Committee
	May	Bulkley Timber Supply Area (TSA) public meetings held; FAC recommendations
	July	FAC says new public involvement policy insufficient
1983	July	Morrison Technical Resource Committee declared a farce by some participants
1984	October	Gitskan – Wet'suwet'en Land Claim
1988	December	Babine Local Resource Use Plan (LRUP): Babine River Planning Group
1989	February	Tree Farm License (TFL): public meetings held; policy criticised; call to retain public control of public resource
	May	Babine Technical Advisory Committee formed
1990	February	Reister Technical Advisory Committee formed
	April	Bulkley TSA: public meeting presents District plans; unsatisfactory Provincially: call for public involvement to reduce conflict between forest companies and resource users
	August	Reiseter TAC: concerns over reception of recommendations

Year	Month	Event
1990	September	Clearcut for fire lookout in Reisetser cleared without TAC notification
	November	Reclaiming Our Forests conference
1991	February	Reclaiming Our Forests follow-up
	March	Bulkley Valley Community Resources Board Steering Committee formed
	April	Reisetser TAC: request to MOF for 'bigger picture' inventory and mapping
	September	Hilltop Sessions held: 25 community representatives, BVCRB Steering Committee members, and Forest District representatives in attendance
	October	Hilltop Agreement signed
	November	Forest Land Management Plan and Community Resources Board: public meeting held to 'air' ideas Call for nominations for BVCRB members
	December 04	BVCRB nominees meeting
	December 09	BVCRB nominees follow-up meeting; BVCRB members selected
1992	January 09	BVCRB first meeting
	January	Babine LRUP criticised by member of the public for inadequate representation and an undemocratic process
	March	Babine Coordinated Access Management Plan: request for BVCRB representative
	March 16	Proposed TOR outside MOF mandate
	March 30	BVCRB information open house
	April 21	BVCRB needs a Public Involvement Strategy to accompany planning steps
	May	Babine TAC recommendations being ignored in five-year logging plan District Manager wants more clarification on TOR

Year	Month	Event
1992	June	Share Smithers: public meeting to offer a new perspective on resources Reiseter TAC: public meeting; dispute among members as to quality of information/ inventory Preliminary Reister LRUP options to be submitted to BVCRB BVCRB request to MOF not to process renewable tenures outside Bulkley TSA
	July/ August	Role of BVCRB questioned: BVCRB “will not be betrayed by Victoria”
	August	Babine Corridor option chosen (Babine LRUP)
	October	BVCRB TOR adopted BVCRB: first public accountability session/ public meeting for BFD guidelines
	November	Our Forest Community: Securing a Future – seminar/workshop BVCRB: establishes Public Involvement Strategy sub-committee
	December	Perspectives and Tribute to the Babines – benefit BVCRB: Priority study areas set to develop approaches: Babine Mountain unit and Copper (McDonnell) Lake unit BVCRB: Six public meetings planned within communities
1993	January	Public meetings held
	February	Presentation to BVCRB: Babine Planning Unit BVCRB: Update from Technical Working Groups BVCRB: To recommend AAC levels to Chief Forester
	April	BVCRB: LRMP new scope
	July/ August	Debate over BVCRB role in AAC determination
	September	BVCRB: Member resigns; committee of facilitators to find replacement; TOR needs to be revised to include LRMP and Protected Area Strategy policy changes

Year	Month	Event
1993	November	Column "Forest Talk" begins running in <i>The Interior News</i> BVCRB: Member resigns due to new job and conflict of interest
1994	January	Open house: BVCRB information from working groups and feedback from public Concerns about BVCRB role and information
	March	BVCRB: Discussion of Protected Area Strategy and how it fits with LRMP
	April/May	BVCRB: what is an LRMP; groups designated to work on scenarios
	June	BVCRB: District Manager concerned with time, wants renegotiation of TOR
	July	AAC determination announcement expected to accommodate Bulkley LRMP
	August	Bulkley TSA and Socio-Economic Analysis Report
	September	Babine CAMP official/approved IPT and BVCRB review scenarios Open house: to review local timber supply BVCRB: discussion of LRMP and fit with goals of BVCRB and TOR
	October	BVCRB: concerns with procedure changes due to LRMP and how consensus fits in
	November/ December	Northwest Community College begins discussion series on changing government legislation regarding forests; discussion of LRMP and BVCRB as part of series Concern that past decisions in jeopardy because of LRMP
1995	January	Calls by public to reduce AAC Socio-economic Analysis of LRMP scenarios critiqued by PIR Open house: Scenarios for LRMP put forward; questionnaires for public input

Year	Month	Event
1995	February	BVCRB: Interim local facilitator selected for LRMP consensus decision making process
		BVCRB: representatives from government planning agencies present links of LRMP to other processes (FPC, PAS, AAC)
	March	Consultant presents findings on BVCRB scenarios
		BVCRB: consensus process underway with statement of values by board members
		BVCRB: informal meeting with First Nations representatives of Fort Babine
		Local sawmills unhappy with socio-economic report
		BVCRB: decisions on biodiversity
	April	BVCRB: TOR to be included in final document; General Management Directions for LRMP agreed to, subject to additions
	May 06	BVCRB: reaches CONSENSUS – Consensus Management Direction
	May	AAC determination for province released – no change for now
	August	BVCRB: LRMP update while document under advisement
	September	BVCRB: comments on draft report
	November/ December	Socio-Economic Steering Committee formed and meeting regarding LRMP/ Consensus Management Directions
	December	BVCRB: joint meetings with IPT to reach own agreement
		Consensus statement revised and signed
1996	January	Second Socio-economic Study for LRMP commissioned
	February	BVCRB: Communication Strategy Sub-Committee
		BVCRB: regional agency representatives want to discuss policies and LRMP
		Draft LRMP being fine-tuned: debate over some content
	March	Highlights of Bulkley LRMP released including protected areas and the ecosystem network

Year	Month	Event
1996	March	PIR declares LRMP won't impact them heavily
	May/June	Open house and community meetings on Bulkley Consensus Management Directions
	June	Recreation Access Management Plan (RAMP) committee formed
	July	BVCRB: review of public comments
	October	Access to Reisetser area for logging concerns residents
	November	RAMP incomplete – to be incorporated into LRMP?
	December	Angling Use Plan (AUP) initiated by Ministry of Environment
1997	January	Telkwa Coal Project sparking concerns
	March	LRMP tied up by wording – needs clarification before sent to Cabinet RAMP on display
	May	Deadline for public input into Telkwa Coal environmental assessment application
	June	Bulkley LRMP approved in principle BVCRB to maintain role in LRMP: monitoring and applying landscape unit plans
	July	RAMP: incomplete but agreement reached
	August	Public workshop regarding Telkwa Coal Project – report from Project Committee does not address concerns
	September	Telkwa Educational Coalition of Households (TEACH) did not get seat on committee to review coal mine proposal
1998	January	RAMP: Harold Price a source of conflict
	July	Bulkley LRMP final
	September	AUP: open to public comment until end October
1999	January	Dispute of use of beehive burners
	February	Bulkley LRMP unveiled at open house

Year	Month	Event
1999	February	Call for nominations for second BVCRB
	March	BVCRB: second board members selected; one former member
	June	BVCRB: public meeting regarding conflict over Telkwa High Road access (related to Reisetser)
	July	BVCRB: to define low impact and low intensity logging for Reisetser area
	December	Telkwa Coal Project still a proposal – no final plan
2000	January	Town of Smithers Air Quality Advisory Committee deemed no longer necessary
	February	Environmental Appeal Board hearing regarding beehive burners AUP: enough waiting, time to implement
	March	Telkwa Coal Project shelved due to coal prices
	May	Concern over Nichyeskwa Connector BVCRB: makes Reisetser recommendations
	June	AUP: going through provincial review process
	August	BVCRB: Reisetser Planning process
	September	BVCRB: Chair steps down
	October	BVCRB: new members and Chair selected (internal process)
	October/ November	BVCRB: TOR discussed and Land Use Plans (LUP) reviewed
	December	BVCRB: discussion of circle routes
2001	January	BVCRB: Bulkley Code Pilot Project introduced by MOF
	March	BVCRB: LRMP Monitoring Committee update; RAMP concerns; Skeena Cellulose issues being discussed
	April	Babine Corridor Plan: frustration with consultation process
	November	BVCRB: call for nominations and selection of new members
2002	May	Results Based Code public forum/hearing

Appendix E:
Consent Forms, Questionnaires,
and Ethics Approval

Appendix E – Consent Forms and Interview Questionnaires

Participant Information and Consent Form – Interviewee Groups 1- 4

Thank you for agreeing to participate in this research project about the Bulkley Valley Community Resources Board (BVCRB) and the Bulkley Land and Resource Management Plan (Bulkley LRMP). The purpose of this study is to explore how public participation was conceptualised in the Bulkley Forest District and incorporated into the Bulkley LRMP through the BVCRB with the goal of analysing the level of input that was achieved. This study has the potential to improve current decision making and community development processes in northern British Columbia, and to positively influence further public participation in resource management decision making processes.

You were chosen based on your participation in the establishment of the BVCRB and/or your participation in the development of the Bulkley LRMP. Your name was obtained from the Bulkley LRMP itself, and through information from other participants in these process(es). As part of this research, you will be asked questions about your participation in the BVCRB and/or the development of the Bulkley LRMP, as well as questions about your perception of the process(es) and the broader implications this may have within the Bulkley Forest District.

Only myself (Kelly Giesbrecht) and my supervisor (Dr. Greg Halseth) will have access to the answers that you provide. Your participation is completely voluntary and you have the right to withdraw from the interview at any time. Your name will remain anonymous and any information you provide is completely confidential and will not be shared with any other participants or appear directly linked to any information in future documents. I will write down your comments during the interview. This information will be stored in filing boxes at the Rural and Small Town Research Laboratory at the University of Northern British Columbia in Prince George, BC for two years. After this time, it will be shredded, and any relevant computer files deleted.

If you have any questions please call myself (Kelly Giesbrecht) at 250-847-3953 in Smithers, or 250-960-5676 in Prince George, or my supervisor Greg Halseth at 250-960-5320 in Prince George, or email haltheth@unbc.ca. A copy of the research results will be made available to you, please also contact Greg or myself. If you have any complaints about the nature of this study or how it was conducted, direct them towards the Office of Research at the University of Northern British Columbia at 250-960-5820.

Participant Information and Consent Form – Interviewee Group 6

Thank you for agreeing to participate in this research project about the Bulkley Valley Community Resources Board (BVCRB) and the Bulkley Land and Resource Management Plan (Bulkley LRMP). The purpose of this study is to explore how public participation was conceptualised in the Bulkley Forest District and incorporated into the Bulkley LRMP through the BVCRB with the goal of analysing the level of input that was achieved. This study has the potential to improve current decision making and community development processes in northern British Columbia, and to positively influence further public participation in resource management decision making processes.

You were chosen based on your participation in a past resource management decision making process within the Bulkley Forest District. Your name was obtained from documents resulting from this process, or from another participant in this study. As part of this research, you will be asked questions about your participation in the BVCRB and/or the development of the Bulkley LRMP, as well as questions about your perception of the process(es) and the broader implications this may have within the Bulkley Forest District.

Only myself (Kelly Giesbrecht) and my supervisor (Dr. Greg Halseth) will have access to the answers that you provide. Your participation is completely voluntary and you have the right to withdraw from the interview at any time. Your name will remain anonymous and any information you provide is completely confidential and will not be shared with any other participants or appear directly linked to any information in future documents. I will write down your comments during the interview. This information will be stored in filing boxes at the Rural and Small Town Research Laboratory at the University of Northern British Columbia in Prince George, BC for no more than two years. After this time, it will be shredded, and any relevant computer files deleted.

If you have any questions please call myself (Kelly Giesbrecht) at 250-847-3953 in Smithers, or 250-960-5676 in Prince George, or my supervisor Greg Halseth at 250-960-5320 in Prince George, or email halseth@unbc.ca. A copy of the research results will be made available to you, please also contact Greg or myself. If you have any complaints about the nature of this study or how it was conducted, direct them towards the Office of Research at the University of Northern British Columbia at 250-960-5820.

Appendix E – Consent Forms and Interview Questionnaires

*Sub-questions served as probes.

Interview Questionnaire One (A) – BVCRB Establishment and First Selection Committee

ROLE

- 1) What role did you play in the development of the Bulkley Valley Community Resources Board?
- 2) Did you represent a particular group or organisation? Or did you represent individual values or perspectives?
 - i) Which group or organisation?
 - ii) Was there more than one?
 - iii) How did you come to represent that group or organisation?
 - iv) Which values and perspectives did you represent?
- 3) What motivated you to become involved?
 - i) Was it a particular event?
 - ii) Did someone approach you to be involved?
 - a) If yes, who? Why?
- 4) Have you been involved in other resource management processes in the Bulkley Forest District?
 - i) Which process? Purpose? How long?
 - ii) What was your role?
 - iii) Did you represent a particular group or organisation?

ESTABLISHMENT

- 5) Where did the idea for a public body involved in resource management come from?
 - i) Did it stem from a particular person or group?
 - ii) Was it because of a particular event?
- 6) What were some of the factors or reasons for this?
 - i) Did it have anything to do with the interaction between government and the public?
 - ii) Did any past public participation processes play a role?
- 7) Were there any events in particular that led to the establishment of the community resources board?
 - i) Were there any workshops or open houses?
 - ii) Which groups and individuals were involved?
- 8) Was the goal always to establish a community resources board?
 - i) Where did the idea come from?
 - ii) Who did it come from?
 - iii) Was there any outside influence or involvement?

TERMS OF REFERENCE – THE HILLTOP AGREEMENT

- 9) Why was the Hilltop Agreement drafted for the community resources board?
 - i) Who was involved in the decision?
 - ii) How was the decision made?
- 10) Who was responsible for drafting the Hilltop Agreement?
 - i) What type of process was used?
 - ii) Which groups and individuals were involved?
 - iii) Were there groups from outside the community involved?
 - a) Who? What role did they play?
- 11) Was the Hilltop Agreement drafted with a particular decision making process in mind?
 - i) If yes, which one(s)?
 - ii) If no, what was the purpose (if not answered in Part A)?
- 12) Does the Hilltop Agreement give the community resources board any 'official' or 'legal' power in decision making?
 - i) How?
 - ii) Why or why not?

Appendix E – Consent Forms and Interview Questionnaires

SELECTION PROCESS

- 13) What led to developing a list of perspectives to select board members?
- Where did the idea come from?
 - What were the factors or reasons for this?
 - Was there a particular event or process that led to this idea?
 - Were there particular groups or individuals involved in this idea?
 - Why sixteen perspectives?
- 14) Is the community resources board meant to represent the entire public of the Bulkley Forest District?
- Is it meant to target a certain component of the public?
 - What are the factors or reasons for this?
- 15) How is the selection process organised?
- Are there any meetings or open houses?
 - Is the public involved? How?
 - Are there any other groups involved?
- 16) How is the selection committee established?
- Are there particular individuals, groups or perspectives that must be represented?
 - Are the same individuals, groups, or perspectives represented each time a selection process occurs?
- 17) How are the members of the community resources board selected?
- Are the candidates nominated, appointed, elected?
 - Why twelve members?
 - What types of considerations are made when selecting members?

REPRESENTATION

- 18) Are you aware of the community resources board's role in the development of the Bulkley LRMP?

On a scale of one to five, do you agree or disagree with the following statements (each question was posed in the manner below):

1	2	3	4	5
disagree	somewhat disagree	neutral	somewhat agree	agree

- What are the factors or reasons for your answer?
- 19) The community resources board is representative of the public **outside** of the LRMP process.
- 20) The community resources board is representative of the public **within** the LRMP process.
- 21) The community resources board is accountable to the public **outside** of the LRMP process.
- 22) The community resources board is accountable to the public **within** the LRMP process.
- 23) First Nations perspectives are adequately represented on the community resources board **outside** of the LRMP process.
- 24) First Nations perspectives are adequately represented by the community resources board **within** the LRMP process.
- 25) The community resources board had a certain amount of influence in the development of the LRMP.
- 26) The sixteen perspectives to select board members leads to adequate representation.
- 27) Are there perspectives that are not represented?
- Why, or why not?
 - What are they?
- 28) Are there particular advantages or disadvantages to selecting members based on perspectives?

Appendix E – Consent Forms and Interview Questionnaires

- 29) Would a different way of selecting members be more appropriate?
i) Why, or why not?
ii) If yes, how would you suggest selecting members?

OTHER

- 30) Are you familiar with the current role of the community resources board?
- 31) What is your perception of the community resources board today?
- 32) Do you feel as though there is potential for the resources board to participate in future resource management processes?
- 33) Is there anything that I have missed or that you would like to elaborate on?
-

Interview Questionnaire Two (B) – Second and Third Selection Committees

ROLE

- 1) What role do you play in the community resources board or Bulkley LRMP?
i) Which selection process(es) have you been involved in?
- 2) Did you represent a particular group or organisation?
i) Which group or organisation?
ii) Was there more than one?
iii) How did you come to represent that group or organisation?
- 3) What motivated you to become involved?
i) Was it a particular event?
ii) Did someone approach you to be involved?
a) If yes, who? Why?
- 4) Have you been involved in other resource management processes in the Bulkley Forest District?
i) Which process? Purpose? How long?
ii) What was your role?
iii) Did you represent a particular group or organisation?

SELECTION PROCESS

- 5) How is the selection process organised?
i) Are there any meetings or open houses?
ii) Is the public involved? How?
iii) Are there any other groups involved?
- 6) How is the selection committee established?
i) Are there particular individuals, groups or perspectives that must be represented?
ii) Are the same individuals, groups, and perspectives represented each time a selection process occurs?
- 7) How are the members of the community resources board selected?
i) Are the candidates nominated, appointed, elected?
ii) Why twelve members?
iii) What types of considerations are made when selecting members?
- 8) Have you noticed any changes in the selection processes? (IF APPLICABLE)
i) What types of changes have you noticed?
ii) What are the reasons for these changes?

Appendix E – Consent Forms and Interview Questionnaires

REPRESENTATION

- 9) Is the community resources board meant to represent the entire public of the Bulkley Forest District?
- Is it meant to target a certain component of the public?
 - What are the factors or reasons for this?

On a scale from one to five, do you agree or disagree with the following statements (each question was posed in the following manner):

1	2	3	4	5
disagree	somewhat disagree	neutral	somewhat agree	agree

- What are the factors or reasons for your answer?
- 10) The community resources board is representative of the public **outside** of the LRMP process
- 11) The community resources board is representative of the public **within** the LRMP process.
- 12) The community resources board is accountable to the public **outside** of the LRMP process.
- 13) The community resources board is accountable to the public **within** the LRMP process.
- 14) First Nations perspectives are adequately represented on the community resources board **outside** of the LRMP process.
- 15) First Nations perspectives are adequately represented by the community resources board **within** the LRMP process.
- 16) The community resources board had a certain amount of influence in the development of the LRMP.
- 17) The sixteen perspectives to select board members leads to adequate representation.
- 18) Are there perspectives that are not represented?
- Why, or why not?
 - What are they?
- 19) Are there particular advantages or disadvantages to selecting members based on perspectives?
- 20) Would a way of selecting members be more appropriate?
- Why, or why not?
 - If yes, how would you suggest selecting members?

OTHER

- 21) Are you familiar with the current role of the community resources board?
- 22) What is your perception of the resources board today?
- 23) Do you feel as though there is potential for the resources board to participate in future resource management processes?
- 24) Is there anything that I have missed or that you would like to elaborate on?
-

Interview Questionnaire Three (C) – First BVCRB Members and Government Representatives

ROLE

- 1) What was your role regarding the Bulkley LRMP?
- Were you a government or public representative?
- 2) Did you represent a particular group or organisation?
- Which group or organisation?
 - Was there more than one?
 - How did you come to represent that group or organisation?

Appendix E – Consent Forms and Interview Questionnaires

- 3) Did you represent particular values or perspectives?
 - i) Which perspectives did you represent?
 - ii) Did you represent a particular group or organisation?
- 4) What motivated you to become involved?
 - i) Was it a particular event?
 - ii) Did someone approach you to be involved?
 - a) If yes, who? Why?
- 5) Have you been involved in other resource management processes in the Bulkley Forest District?
 - i) Which process? Purpose? How long?
 - ii) What was your role?
 - iii) Did you represent a particular group or organisation?

DEVELOPMENT OF BULKLEY LRMP

- 6) What led to the community resources board representing the public in the Bulkley LRMP?
 - i) Who was involved in this decision?
 - ii) Did the establishment of the community resources board prior to the LRMP process play a role in the decision?
- 7) Was a terms of reference drafted for the involvement of the community resources board?
 - i) Who was involved?
 - ii) Did it differ from the Hilltop Agreement? How?
 - iii) Which groups or individuals were responsible for drafting the CRB terms of reference?
- 8) What was the role of the community resources board in drafting the Bulkley LRMP?
 - i) Which groups or individuals were responsible for designing the decision making process?
 - ii) How were responsibilities allocated during the process?
 - iii) How were decisions made during the process?
 - iv) Who was responsible for making these decisions?
 - v) Who was responsible for approving these decisions?
- 9) What was the interaction among the government representatives throughout the process?
 - i) Was the atmosphere generally cooperative?
 - ii) Were there any conflicts among members?
 - iii) Were there any changes in representatives during the process? Why?
- 10) What was the interaction among the community resources board members throughout the process?
 - i) Was the atmosphere generally cooperative?
 - ii) Were there any conflicts among members?
 - iii) Were there any changes in membership during the process? Why?
- 11) What was the interaction between government representatives and the community resources board?
 - i) Was the atmosphere generally cooperative?
 - ii) Were there any conflicts among members?
 - iii) Did any changes in members or representatives affect this relationship?
- 12) Can you name three key recommendations or decisions regarding the content of the LRMP?
 - i) Idea One:
 - a) Where or who did this idea come from?
 - b) Is this recommendation or decision reflected in the final LRMP?
 - ii) Idea Two:
 - a) Where or who did this idea come from?
 - b) Is this recommendation or decision reflected in the final LRMP?
 - iii) Idea Three:
 - a) Where or who did this idea come from?
 - b) Is this recommendation or decision reflected in the final LRMP?

Appendix E – Consent Forms and Interview Questionnaires

13) Can you name three recommendations or decisions that did not become part of the final LRMP?

i) Idea One:

a) Where or who did this idea come from?

b) Why was this recommendation or decision not part of the final LRMP?

ii) Idea Two:

a) Where or who did this idea come from?

b) Why was this recommendation or decision not part of the final LRMP?

iii) Idea Three:

a) Where or who did this idea come from?

b) Why was this recommendation or decision not part of the final LRMP?

REPRESENTATION

14) Was there a communication strategy during the LRMP process?

i) Was it followed?

ii) How did you communicate with the public?

iii) Was this effective?

On a scale from one to five, do you agree or disagree with the following statements (each question was posed in the following manner):

1	2	3	4	5
disagree	somewhat disagree	neutral	somewhat agree	agree

i) What are the factors or reasons for your answer?

15) The community resources board is representative of the public **outside** of the LRMP process.

16) The community resources board is representative of the public **within** the LRMP process.

17) The community resources board is accountable to the public **outside** of the LRMP process.

18) The community resources board is accountable to the public **within** the LRMP process.

19) First Nations perspectives are adequately represented on the community resources board **outside** of the LRMP process.

20) First Nations perspectives are adequately represented by the community resources board **within** the LRMP process.

21) The community resources board had a certain amount of influence in the development of the LRMP.

22) The sixteen perspectives to select board members leads to adequate representation.

23) Are perspectives that are not represented?

i) Why, or why not?

ii) What are they?

24) Are there particular advantages or disadvantages to selecting members based on perspectives?

25) Would a different way of selecting members be more appropriate?

i) Why, or why not?

ii) If yes, how would you suggest selecting members?

OTHER

26) Are you familiar with the current role of the community resources board?

27) What is your perception of the community resources board today?

Appendix E – Consent Forms and Interview Questionnaires

28) Do you feel as though there is potential for the community resources board to participate in future resource management processes?

29) Is there anything that I have missed or that you would like to elaborate on?

Interview Questionnaire Four (D) – Second and Third BVCRB Members

ROLE

- 1) What is your role regarding the Bulkley LRMP?
 - i) Are you a government or public representative?
- 2) Do you represent a particular group or organisation?
 - i) Which group or organisation?
 - ii) Is there more than one?
 - iii) How did you come to represent that group or organisation?
- 3) Do you represent particular values or perspectives?
 - i) Which perspectives do you represent?
 - ii) Do you represent a particular group or organisation?
 - iii) Why did you want to be involved?
- 4) What motivated you to become involved?
 - i) Was it a particular event?
 - ii) Did someone approach you to be involved?
 - a) If yes, who? Why?
- 5) Have you been involved in other resource management processes in the Bulkley Forest District?
 - i) Which process? Purpose? How long?
 - ii) What was your role?
 - iii) Did you represent a particular group or organisation?

CURRENT ROLE – MONITORING LRMP

- 6) What is the current role of the community resources board?
 - i) Which groups or individuals were responsible for designing the monitoring process?
 - ii) How are responsibilities allocated?
 - iii) How are decisions made?
 - iv) Who is responsible for making these decisions?
 - v) Who is responsible for approving these decisions?
- 7) Is there a terms of reference?
 - i) Which groups or individuals were responsible for drafting the terms of reference?
 - ii) Does it differ from the previous terms of reference?
 - a) Why? How?
- 8) What is the interaction among government representatives?
 - i) Is the atmosphere generally cooperative?
 - ii) Are there any conflicts?
 - iii) Have there been changes in representatives?
- 9) What is the interaction among the community resources board members?
 - i) Is the atmosphere generally cooperative?
 - ii) Are there any conflicts among members?
 - iii) How has the recent re-structuring affected the agencies represented?
- 10) What is the interaction between government representatives and the resources board?
 - i) Is the atmosphere generally cooperative?
 - ii) Are there any conflicts among members?
 - iii) Have any changes in membership or representatives affected this relationship? How?

Appendix E – Consent Forms and Interview Questionnaires

REPRESENTATION

- 11) Does the current board have a communication strategy?
- Is it followed?
 - What methods were used to communicate with the public?
 - Are these methods effective?

On a scale from one to five, do you agree or disagree with the following statements (each question was posed in the following manner):

1	2	3	4	5
disagree	somewhat disagree	neutral	somewhat agree	agree

- i) What are the factors or reasons for your answer?
- 12) The community resources board is representative of the public **outside** of the LRMP process.
- 13) The community resources board is representative of the public **within** the LRMP process.
- 14) The community resources board is accountable to the public **outside** of the LRMP process.
- 15) The community resources board is accountable to the public **within** the LRMP process.
- 16) First Nations perspectives are adequately represented on the community resources board **outside** of the LRMP process.
- 17) First Nations perspectives are adequately represented by the community resources board **within** the LRMP process.
- 18) The community resources board had a certain amount of influence in the development of the LRMP.
- 19) The sixteen perspectives for selecting board members leads to adequate representation.
- 20) Are there perspectives that are not, or have not been, represented?
- Why, or why not?
 - What are they?
- 21) Are there particular advantages or disadvantages to selecting board members based on perspectives?
- 22) Would a different way of selecting members be more appropriate?
- Why, or why not?
 - If yes, how would you suggest selecting members?

OTHER

- 23) Are you familiar with the role of the current resources board?
- 24) What is your perception of the community resources board today?
- 25) Do you feel as though there is potential for the resources board to participate in future resource management processes?
- Are there any other processes that the community resources board is currently working on?
- 26) Is there anything that I have missed or that you would like to elaborate on?

Interview Questionnaire Five (E) – Community Groups and Organisations

ROLE

- Which community group or organisation do you represent?
- What is your role regarding this community group?

Appendix E – Consent Forms and Interview Questionnaires

3) Is this group concerned with issues of resource management in the Bulkley Forest District?

FAMILIARITY

4) Are you familiar with the Bulkley Valley Community Resources Board?

- i) Were you aware that such a public body was being established in 1991?
- ii) What was your source of this information?

5) Are you familiar with the Bulkley LRMP?

- i) Were you aware that such a process began in 1992?
- ii) What was your source of this information?

6) Are you aware of anyone from this group who was involved with the community resources board or the LRMP?

- i) If yes, how were they involved? What role did they play?

7) Are you aware that the community resources board participated in the development of the Bulkley LRMP?

REPRESENTATION

On a scale from one to five, do you agree or disagree with the following statements (each question was posed in the following manner):

1	2	3	4	5
disagree	somewhat disagree	neutral	somewhat agree	agree

i) What are the factors or reasons for your answer?

8) The values and concerns of this group are represented by the community resources board **outside** of the LRMP process.

9) The values and concerns of this group are represented by the community resources board **within** the LRMP process.

10) The public has been communicated regarding the community resources board.

11) The public has been communicated with regarding LRMP process itself.

12) The public had input regarding the development of the community resources board.

13) The public had input into the development of the Bulkley LRMP.

OTHER

14) Are you aware of the current role of the community resources board in the Bulkley LRMP?

15) How do you feel about the potential for the community resources board to participate in future resource management processes?

16) Is there anything that I have missed or that you would like to elaborate on?

Interview Questionnaire Six (F) – Past Public Participation Processes

ROLE

1) Were you involved in any resource management decision making processes prior to 1991?

- i) What type of process were you involved in?
- ii) What was your role in that process?
- iii) Did you represent a particular group or organisation?
- iv) Why did you become involved?

Appendix E – Consent Forms and Interview Questionnaires

- 2) What was the role of the public in this decision making process?
 - i) How were representatives of the public selected?
 - ii) Were they elected, appointed, or nominated?
- 3) Did the decision making process end?
 - i) Why or why not?
 - ii) How long was the decision making process?
- 4) Did the public's role in the decision making process end?
 - i) Why or why not?
 - ii) How long was the public involved in the process?
- 5) Was there a terms of reference?
 - i) Which groups or individuals were responsible for drafting the terms of reference?
- 6) What was the interaction among government representatives?
 - i) Was the atmosphere generally cooperative?
 - ii) Were there any conflicts?
 - iii) Were there changes in representatives?
- 7) What was the interaction among the public representatives?
 - i) Was the atmosphere generally cooperative?
 - ii) Were there any conflicts among members?
- 8) What was the interaction between government and public representatives?
 - i) Was the atmosphere generally cooperative?
 - ii) Were there any conflicts among members?
 - iii) What factors affected these relationships?

FAMILIARITY

- 9) Are you familiar with the Bulkley Valley Community Resources Board?
 - i) What do you know about the resources board?
 - ii) What is your source of this information?
- 10) Are you familiar with the Bulkley LRMP?
 - i) What do you know about the Bulkley LRMP?
 - ii) What is your source of this information?
- 11) Were you aware that the community resources board was involved in the development of the Bulkley LRMP?
 - i) If yes, what is your source of this information?
- 12) Were you involved in any way with the establishment of the resources board?
 - i) If yes, how were you involved? What role did you play?
 - ii) If no, why not? What factors contributed to this?
- 13) Were you involved in any way with the development of the Bulkley LRMP?
 - i) If yes, how were you involved? What role did you play?

REPRESENTATION

On a scale from one to five, do you agree or disagree with the following statements (each question was posed in the following manner):

1	2	3	4	5
disagree	somewhat disagree	neutral	somewhat agree	agree

- i) What are the factors or reasons for your answer?

- 14) Your values and concerns are represented by the community resources board **outside** of the LRMP process.

Appendix E – Consent Forms and Interview Questionnaires

- 15) Your values and concerns are represented by the community resources board **within** the LRMP process itself.
- 16) The public has been communicated with regarding the community resources board.
- 17) The public has been communicated with regarding LRMP process itself.
- 18) The public had input regarding the development of the community resources board.
- 19) The public had input into the development of the Bulkley LRMP.

OTHER

- 20) What is your perception of the community resources board?
- 21) What is your perception of the Bulkley LRMP?
- 22) How do you feel about the potential for the community resources board to participate in future resource management decision making process?
- 23) Is there anything that I may have missed or that you would like to elaborate on?

Thank you for your time and assistance.
