Faculty of Medicine

INDIGENOUS MD ADMISSIONS WORKSHOP

JULY 28-30, 2021

The 18th annual Indigenous MD Admissions Workshop will take place virtually, with a focus on the Northern Medical Program located on the University of Northern British Columbia campus in Prince George, BC.

EXPLORE A FUTURE IN MEDICINE

If you are thinking about pursuing a future in medicine, this is a unique opportunity to learn how UBC can support you in your studies and connect with an inclusive, caring community of medical practitioners, students, and faculty.

Our annual pre-admissions workshop for Indigenous pre-med students isn't just for those already in university. Prospective students, including post-secondary and high school students can explore what it means to attend university and embark on a journey to becoming a healthcare professional.

JOIN A CARING COMMUNITY

Being part of a community is important—it helps people feel connected to traditions and knowledge unique to them. At the UBC Faculty of Medicine, we are a community that celebrates our students' diverse perspectives on healthcare and Indigenous ways of knowing.

For eighteen years we've been providing the Indigenous MD Admissions Workshop dedicated to welcoming Indigenous people into our faculty and supporting them as they make a commitment to study medicine. We know that our annual workshop will give you an introduction to our community and help you feel more confident about your decision to study medicine.
