

**SUBJECT: BICYCLES, SKATEBOARDS, SNOWBOARDS, SCOOTERS AND ROLLER BLADES
ON CAMPUS**

Bicycles are to be parked in designated areas on the University of Northern British Columbia's Prince George campus. These areas are clearly identified by the designated bicycle storage racks. If a bicycle is found in a non-designated area, it will be removed (i.e. locks may be cut) by Security and safely stored.

Bicycles, skateboards, snowboards, scooters and roller blades are not permitted inside any buildings on campus and cannot be used on the Agora roof, courtyard, sidewalks or stairs as they present a safety hazard.
