## STEERING COMMITTEE OF SENATE

### PROPOSED MOTION

**Motion:** That the terms of reference for the Senate Standing Advisory Committee on the Integrity and Awarding of Degrees be approved as proposed.

**Effective Date:** Upon the approval of Senate

**Proposed by:** Dan Ryan, Provost and Vice President Academic

**Faculty / Academic Department:** Office of the Provost, Office of University Secretariat

**Implications for Other Programs / Faculties:**

#### **Rationale:**

At the Closed Session of Senate, January 2019, questions were raised about the process of awarding of graduate degrees. To address these questions, the Provost met with a small group of Faculty Senators and the recommendation for a Proposed Process for Review of Awarding of Degrees was brought forward for discussion to the March 2019 Closed Session of Senate. In early May 2019, a Senator Engagement Session was held, giving Senators an opportunity to recommend specific revisions and/or additions to the proposed process. The draft terms of reference for the Senate Standing Advisory Committee on the Integrity and Awarding of Degrees was presented in the Public Session of Senate for discussion on May 22, 2019.

#### **Background and Intent**

The UNBC Senate is empowered [s. 37(1)(h) of the University Act of British Columbia- *the Act*] to grant degrees to students who have met all of the Program and Senate-approved degree requirements. As the grantor of a degree, Senate has the power to rescind a degree.

In order to ensure the integrity of degrees, Senate establishes academic regulations and processes covering admissions, examinations, academic standards and degree requirements. Senate is also empowered to establish processes to address complaints or allegations of academic misconduct or fraud, and to provide for appeals [s. 37(1)(v) of *the Act*].

Administrative processes, including degree audits in the case of undergraduate degrees, the work of supervisory and examining committees in the case of graduate degrees and, complaint, investigation and formal appeal processes are in place to support the consistent and appropriate application of academic regulations and standards.

Issues involving adherence to academic regulations and standards, whether they arise during the course of study leading to a degree or post-awarding of a degree should be dealt with through existing complaint, investigation, review and appeal processes, supported by the Office of the Registrar and through the exercise of appropriate decision-making authority of Faculty Members, Chairs, Deans, and Senior Academic Administrators.

Notwithstanding the regulations, processes, standards and care taken, circumstances may arise which call into question the integrity of a degree in-progress or post-award. It is the intention that the Advisory Committee

and the processes outlined in the following Terms of Reference be engaged in such circumstances, to the

extent and in the manner outlined below, to support degree integrity.

## **Senate Standing Advisory Committee on the Integrity and Awarding of Degrees**

### **Terms of Reference**

#### **1. Composition and Term**

- 1.1 Five tenured Senior UNBC Professors ~~Faculty Members~~ (non-Senators), one nominated by each Faculty, appointed by Senate. ~~A Senior Faculty Member is defined as a tenured Professor.~~
- 1.2 One alumni representative (non-Senator) nominated by the Alumni Council, appointed by Senate.
- 1.3 Faculty and Alumni Members are appointed for an initial three (3) year Term, renewable once. A ~~Faculty~~ Member may serve beyond the expiration of their Term if a successor has not been nominated by the Faculty or the Alumni Council and appointed by Senate.
- 1.4 Provost and Vice-President Academic or designate (Chair)

#### **2. Administrative Support and Frequency of Meetings**

The Committee is supported by the University Secretary and meets once each academic semester and otherwise if needed and when convened by, the Provost.

#### **3. Scope of Work of Advisory Committee**

The Committee is engaged in extraordinary circumstances where:

- 3.1 Concerns have been raised regarding the integrity of a degree in-progress, and it is alleged that those concerns are not being, have not been, or cannot be, adequately addressed through existing regulations, procedures and administrative processes;
- 3.2 Concerns have been raised regarding the integrity of a degree post-award and existing regulations, procedures and administrative processes may need to be interpreted or applied with some modifications to address specific or unique situations and circumstances; or
- 3.3 A significant administrative error that impacts the integrity of a degree has occurred, and the degree may need to be rescinded.
- 3.4 In all such cases, the Committee is advisory to the Provost and Senate, and has no authority or scope to investigate, adjudicate or substitute academic judgement, nor to interfere in any way in an investigation or the legitimate exercise of authority.
- 3.5 The Committee may also make recommendations to Senate for amendments to improve the integrity of processes for admissions, supervision, for dealing with academic misconduct, etc.

#### **4. Procedural Fairness and Natural Justice**

- 4.1 Given the significance of the claims or circumstances within the scope of review of the Committee, and the potential impact on the student(s) involved if a degree may be rescinded, any process to review such allegations must judiciously respect and balance the privacy rights of individuals and the potential impact on those individuals, against the interest of the University and Senate in ensuring the integrity of degrees.
- 4.2 The principles of natural justice must be observed at all stages.

#### **5. Confidentiality**

The Members of the Committee are bound by strict confidentiality. The work of the Committee must respect the privacy of individuals who may be impacted. Any discussions, consultations, reference to or circulation of investigation reports or the like, must be limited to persons with the specific knowledge that is required by the Committee, and those persons must only be provided with the specific information that they require in order to provide that input or information.

#### **6. Procedures**

- 6.1 Any person may report a concern regarding the integrity of a degree (in-process or post award) by filing a confidential statement of concern with the *Office of the Provost and Vice-President Academic*. The Statement should include a sufficient level of detail and documentation to substantiate the concern, and should cite all academic regulations or standards believed to have been violated.
- 6.2 On receipt of a concern, the Provost conducts an initial review of the matter with the advice of at least one of the Faculty Members on the Advisory Committee, and the Provost makes confidential enquiries to assess whether or not all appropriate existing processes have been exhausted.
- 6.3 If, on completion of the initial review, the Provost and the Faculty Member consulted determine that the matter is being, or can and should be, addressed through existing processes, the Provost so informs the person who submitted the concern if appropriate, and takes steps to ensure appropriate actions are being taken and internal procedures followed, including appropriate notices and opportunity to respond being given to any student impacted. The Provost reports the receipt of the concern and the initial response to the Advisory Committee at its next regular meeting and provides ongoing updates at subsequent meetings until the matter is satisfactorily resolved or until full engagement by the Committee is appropriate.

- 6.4 If, instead, the Provost and Faculty Member determine that the issue is ready and suitable for the engagement of the full Advisory Committee, the Provost convenes the Committee to report receipt of the concern and to provide information in confidence.
- 6.5 The Advisory Committee reviews the matter and provides advice to the Provost on next steps, which includes, as appropriate, notice and opportunities to reply on the part of any student(s) who may be impacted by the outcome of the investigation and review.
- 6.6 With that feedback, and upon completion of further review as and if recommended by the Committee, the Provost reports back to the Committee, and the Committee may formally report to Senate, in confidence in a Closed Session, providing only summary information as to the nature of the matter and taking care to not identify individuals or Programs, that:
- (a) A concern was received and reviewed by the Committee and there was insufficient evidence that academic policies or regulations were violated, or there were errors which did not substantially impact the integrity of the degree in-progress or post award, and the concerns were dismissed.

OR

- (b) A concern was received and reviewed by the Committee and there was sufficient evidence that academic policies or regulations were violated, or there were errors which substantially impacted the integrity of a degree in-progress, and appropriate corrective actions were taken.

OR, providing more specific information, as warranted by the findings and required for a decision by Senate that:

- (c) A concern was received and reviewed by the Committee and there was sufficient evidence that academic policies or regulations were violated, or there were errors which substantially impacted the integrity of a degree, and those violations or errors were of such significance that procedural and substantive legal advice was sought as appropriate and, with that advice, the Committee is recommending either corrective action or revocation of the degree.

NOTE:

\*This statement needs to be incorporated into Academic Regulations – not in the T of R of this Committee: **In making a decision to rescind a degree Senate may not substitute academic judgement**

## ACKNOWLEDGEMENT

Degree Program Reviews are critical to the success of programs and to the University. I would like to acknowledge the work and thoughtful consideration of colleagues in all the Academic Administrative Units that participated in the reviews, the Deans, Administrative Assistants, and the external reviewers.

The greatest outcome of many of these reviews is the external validation that our programs are strong, and provide our students with outstanding learning experiences and about the dedication of our Faculty to our students, the discipline and the UNBC community.

## REVIEW PROCESS

Degree Program Reviews conducted prior to the approval of the new *Degree Program Reviews Policy* by Senate on June 26, 2019 were covered by the Senate Approved (April 26, 2012) document: *External Reviews of Academic Units: A Reference Guide*.

A standard review under the 2012 approved *External Reviews of Academic Units: A Reference Guide* involved the following:

- choosing external reviewers;
- developing a self-study document;
- engaging with external reviewers who review the self-assessment document, complete a site visit and write a report on their findings;
- a Program response to the external review report;
- a response by the appropriate Dean;
- a response by the Provost; and
- presentation of the package to Senate, through SCAAF.

Degree Program Reviews in-progress at the time the new *Degree Program Reviews Policy* came into effect may be completed under the terms of the previous Guide, except that, to the extent reasonably possible, the Deans, Chairs and Directors endeavor to ensure that all reviews in progress adhere to Section 6.1.3 of the *Policy* and produce reports in the form prescribed in Subsection 5.0 of the *Procedures*.

## SENATE COMMITTEE ON ADMISSIONS AND DEGREES

### PROPOSED REVISION OF CALENDAR ENTRY

**Motion:** To include links to information of the new BC high school curriculum courses to the Admissions Section (page 21) of the Undergraduate Academic Calendar as well as Admission from Secondary Schools and CEGEP in Other Canadian Provinces (Page 24-25), be approved as proposed.

1. **Effective date:** September 2019

2. **Rationale for the proposed revisions:**

The BC Ministry of Education has reworked and/or renamed many courses in the curriculum for BC high school students. Some are already taking these courses with a full rollout in Sept 2019. Adding a link to the admissions pages will allow students who may have some of these courses to clearly see whether or not they may be used for admission purposes to UNBC. Specific academic courses and those necessary for prerequisites have been assessed by the appropriate academic departments in collaboration with the Articulation Officer. It is necessary to keep existing course lists as student transition from current to new curriculum over the next few years. Adding a link to this page will allow transparency with how we will recognize these new courses.

By adding links to the calendar, updates made by external parties can be easily changed on the website keeping the calendar up to do.

3. **Implications of the changes for other programs, etc., if applicable:**

These are not changes in admission requirements. They only reflect changes made by the BC Ministry of Education and other external partners.

4. **Reproduction of current Calendar entry for the item to be revised:**

\* **Approved Grade 12 Courses:** Applications of Mathematics, BC First Nations Studies, Biology, Business/Hospitality Management, Calculus, Chemistry, Comparative Civilizations, Economics, English Literature, Français, Français Langue Seconde-Immersion, French, German, Geography, Geology, History, Japanese, Latin, Law, Mandarin, Math Foundations, Middle Earth 12, Physics, Pre-Calculus, Principles of Mathematics, Punjabi, Social Justice, Spanish, Sustainable Resources, Technical and Professional Communications, Writing.

\*\* **A fifth Grade 12 Course:** Any other of the approved Grade 12 courses, and also any Grade 12 course taught in the secondary school including locally-developed courses: e.g. (First Nations Languages), career

- (i) In exceptional circumstance a special meeting of Senate may be called if:
  - (a) The Chair considers a matter to be of sufficient urgency, or

E-mail votes shall offer the choices "Yes," "No," or "Hold."
  - When the "Yes" votes form a portion of the votes cast sufficient to pass the motion, it shall pass.
  - When the "No" votes form a portion of the total votes cast sufficient to defeat the motion, the motion is defeated.
  - Otherwise, debate on the motion shall be postponed ("Held") until the next in-person meeting.Electronic ballots must be received directly from the Secretary, and returned to the Secretary from the electronic address to which it was delivered by the date specified in the call for the vote. ### **3 (bb) Conduct of Meetings**

- (i) Except as otherwise stated the use of recording devices and cameras is not permitted after a meeting has been called to order, except at the discretion of the Chair.
- (ii) Motions from the floor may be made orally; however, at the request of the Chair or the Secretary, the mover may be required to put the motion in writing.
  - (a) Motions may also originate in the following ways:
    - From a Committee presenting a report, or
    - From a Committee advising Senate in advance of its intention to bring forth motions at the next regular meeting of Senate, or

- From a College, if the Steering Committee of Senate considers that the matter does not need to be referred to a Senate Committee, or
  - From a member presenting a notice of motion to be presented at the next regular meeting of Senate.
- (b) Once a motion is moved and seconded, the mover of the motion may speak to it and answer questions from the floor of Senate.
- (c) Before debate has begun, a motion may be withdrawn by its mover. (Note that a motion on the agenda need not be moved.) After debate has begun, a motion may be withdrawn by the mover with the unanimous consent of Senate, or by a simple majority vote without debate.
- (d) A motion may be presented and voted upon with or without discussion.
- (e) A motion on the floor of Senate may be referred to a committee by the carrying of a second motion to this effect, which is debatable and is passed by a simple majority.
- (f) A motion to *postpone consideration* of a motion on the floor of Senate may be moved at any time. If seconded, a motion to postpone consideration is debatable. If the motion to postpone is carried by simple majority, no further discussion of the original motion is allowed; if the motion to postpone is defeated, debate of the initial motion may continue.
- (g) A motion to *lay on the table* halts consideration of the pending motion immediately. It must be seconded, is not debatable, and may be passed by a simple majority. It should be employed only when Senate wishes to lay the pending motion aside temporarily when a matter of immediate urgency has arisen.
- (h) A motion to *amend* a motion on the floor of Senate may be moved at any time. If seconded, the motion to amend may be debated and voted upon, to be passed by simple majority. Regardless of the outcome, debate of the original motion may continue, with further motions of amendments proposed and voted upon. Once all discussions are complete, including voting upon all motions of amendment, the original motion, in amended form if such amendments were carried, is put to a vote in its entirety.
- (i) Upon the agreement of Senate by general consent or by motion, a motion on the floor, that is presented in more than one part, may be divided into two or more related parts, and each part voted on as if it were a distinct question; provided that each part, if approved, is separately a question that can be acted upon if none of the other parts is carried.
- (j) When a motion on the floor consists of several independent parts, one or more parts must receive separate consideration and vote at the demand of a single member.
- (k) A motion to adjourn may be made at any time. When seconded, it is not debatable, must be voted upon immediately and requires a simple majority vote in the affirmative to pass.
- (iii) Voting at Senate shall be conducted in the following manner:
- (a) For purpose of elections, all votes will be by ballot. Normally all other votes will be by a show of hands, and a simple affirmative majority or lack thereof will be recorded. In those circumstances where there is a motion passed to have a

recorded vote or a vote by ballot, this shall be done and will be reflected in the minutes.

- (b) The Chair may not vote except when the Chair's vote changes the outcome, or as mentioned in section 3 (z) (iv). A tied vote defeats a motion requiring a simple majority to pass.
- (iv) Debate at Senate shall be conducted in the following manner:
  - (a) Any member of Senate who wishes to speak must be recognized by the Chair.
  - (b) Any senator who has been recognized to speak by the Chair once on any given question has exhausted their right to speak on that question until all members of Senate have been given the opportunity to speak once. The same principle shall apply to those speaking, two, three, and more times.
- (v) Questions to other Senators, resource persons or visitors to Senate must be directed through the Chair, who will request the response.
- (vi) When a person is a voting member of Senate or a Senate Committee by virtue of their office and is absent, they may appoint an acting officer, who will have the right to vote at Senate or Senate Committee meetings.
- (vii) The Senate may use a Consent Agenda to expedite the routine business of Senate. The Consent Agenda is an omnibus motion to approve motions that have been identified as being routine, either by Senate Committees on their own behalf, or by the Steering Committee of Senate.

The intent of using a Consent Agenda is to approve rapidly items of a routine nature, while still protecting the rights of individual Senators to engage in debate on any matter that a Senator feels to be of importance.

When a motion to adopt the Consent Agenda is on the floor the following rules apply:

- (a) As the purpose of the motion is to expedite business, the motion is undebatable.
- (b) At the request of any voting Senator, the Consent Agenda shall be amended to remove from the omnibus any motion that the Senator wishes to discuss.
- (c) Adoption of the Consent Agenda requires a simple majority vote.
- (d) After the consent agenda is adopted, the items on it are considered adopted, and are consequently ignored when encountered in the normal course of business.

### **3 (cc) Minutes**

- (i) The minutes of open sessions of Senate shall be a brief summary of the points made in debate and a record of decisions taken.
- (ii) The minutes of closed sessions shall reflect the mover and the seconder of motions and only that information germane to the type of decision being made (e.g. acceptance of the report of the Senate Committee on Honorary Degrees and Other Forms of Special Recognition).
- (iii) The open sessions of Senate shall be audio taped in their entirety, and retained in the University Secretariat until such time as the minutes of the meeting in question have been approved by the Senate, after which meeting the taped record shall be erased.

- (iv) The supporting papers and minutes of all closed sessions shall be placed in the University archives.
- (v) A copy of the minutes of open sessions shall be distributed to the members of Senate. An electronic copy of the minutes of open sessions will be posted on the World Wide Web.

  - (e) The Senate may remove or discharge any committee member appointed by them.
  - (f) Where a qualification is required for membership on a committee any member ceasing to qualify automatically ceases to be a member.
  - (g) If any member has failed to attend three consecutive meetings of a committee, the Chair of a Committee may petition the Steering Committee of Senate (SCS), through the Secretary of Senate, by written request, to have the member removed and a replacement sought. In these cases, the Chair should follow the procedure listed below:
    - the Chair should discuss the concern with the member.
    - if there is no resolution through regular attendance, reasons that are acceptable in the short-term, or the resignation of the member, the Chair may petition SCS to remove and replace the member.
    - SCS will advise the member of the request and provide the member with the opportunity to respond.
    - SCS will decide on the action to be taken and so advise the chair and the member.
    - SCS will report to Senate on such matters in summary form.
- (ii) The Chair for each Senate Committee will normally be selected annually in the month of October by the members of each Senate Committee unless the committee has a designated Chair. In those instances where the Committee does not elect a Chair, the Chair of the Senate shall have the authority to do so. By vote, the full Senate may discharge or replace any Chair or member at any time.
- (iii) Elected members of Senate are eligible for appointment to membership on any committee of Senate.
- (iv) Senior University Administrators are excluded from membership on the Senate Committee on the University Budget (SCUB). With the exception of SCUB, the Secretary of Senate is, *ex officio*, a non-voting member of all Senate Committees.

- (v) The Chair of Senate is excluded from membership on the Senate Committee on Academic Appeals (SCAA), the Senate Committee on Student Discipline Appeals, the Senate Committee on Admissions and Degrees (except when sitting as the Degree Committee), and the Senate Committee on the University Budget (SCUB).
- (vi) Members of Senate will generally not be asked to serve on more than three committees.
