

Conference Schedule

Conference Schedule

Thursday October 19 2006		
Wednesday October 18 2006		
19:00-21:00	Conference Registration	☞ Lower Lobby
19:00-21:00	CCHSA Management Committee Meeting	☞ 201
08:00-09:00	Conference Registration	☞ Lower Lobby
07:30-09:00	Continental Breakfast for Workshop Participants	☞ Lower Lobby
08:00-12:00	CCHSA Knowledge Translation Committee Meeting Decision Makers Advisory Council Meeting *Continental Breakfast*	☞ 201-2
09:00-12:00	PHARE Annual Meeting	☞ 208
Pre-conference Workshop 1 (All Day)		
09:00-12:00	Building Successful Teams for Research Workshop: BCRRHRN	☞101
09:00-12:00	Review NETs' Experiences, and Consider Challenges to and Strategies for Team Building	☞101
1:00-15:30	Thematic Research Forums Aimed at Team Development	☞101
15:30-17:30	BCRRHRN's First Annual AGM and Reception	☞101
12:00-13:00	Lunch for Workshop/CCHSA Participants	☞ 102
Pre-conference Workshop 2 (1/2 Day)		
08:30	A Dialogue in Aboriginal Health: NCCAH Words of Welcome Overview of the Workshop <i>Facilitator: Ginette Thomas, Managing Director, NCCAH</i>	☞204-5-6
09:00	Panel Discussion	☞204-5-6
09:00	A National Perspective on KT A Community Perspective on KT <i>Mabel Louie, Health Director, Carrier Sekani Family Services</i> Collaborating on KT <i>Margo Greenwood, Academic Leader, NCCAH</i>	☞204-5-6
10:15	Health Break	☞204-5-6
10:30	Roundtable Discussion <i>Participants will be invited to share their thoughts on KT strategies with the Panel Members</i>	☞204-5-6
11:45	Concluding Remarks	☞204-5-6

Pre-conference Workshop 3 (1/2 day)

13:00-15:30	Symposium on Knowledge Translation: CCHSA / NCCEH	☞ 208
13:00-13:05	Welcome <i>Ray Copes, Director, National Collaborating Centre for Environmental Health</i> <i>James Dosman, Director, Canadian Centre for Health and Safety in Agriculture</i>	
13:05-14:05	Introduction to Knowledge Translation: Conceptual Framework and Approaches <i>Réjean Landry, Canada Research Chair on Knowledge Transfer and Innovation</i>	☞ 208
14:05-14:25	“Research Results” Success Story How did her research team disseminate results from the rural nursing study to relevant users? <i>Researcher: Judith Kulig, Professor, School of Health Sciences, University of Lethbridge</i> “Research Results” Success Story How has his research work affected policy and practice? <i>Researcher: Craig Stephen, Canada Research Chair in Integrating Human and Animal Health, Nanaimo</i>	☞ 208
14:45-15:00	Break	☞ 208
15:00-15:20	“Organization” Success Story What is the Canadian Agricultural Safety Association and how has it created a model for the dissemination of information? <i>Research/Dissemination Model Group: Glen Blahey, President, Canadian Agricultural Safety Association</i>	☞ 208
15:20-15:40	“Organization” Success Story What is the Agricultural Health and Safety Network and how have they distributed research results to farm families? <i>Research/Dissemination Model Group: James Dosman, Director, Institute of Agricultural Rural and Environmental Health</i>	☞ 208
15:40-16:00	“Decision Maker” Success Story (TBA)	☞ 208
16:00-16:20	“End User” Success Story How has research development led to a successful occupational health and safety product and how has it been implemented? <i>“End User”: Bruce Johnson, Manager, Farm and Ranch Safety and Health Association</i>	☞ 208
16:20-16:45	Summary	☞ 208
17:00-18:00	CCHSA Annual Meeting – All Committees	☞ 208
19:00-21:00	Opening Reception for the CRHRS Conference *Cash Bar*	☞ 102

Poster Presentations

Friday October 20, 2006 – Authors in Attendance

10:00 – 10:30 and 15:10 – 15:30

1. Understanding Differing Perspectives in Health and Healthcare: The Northern Health Care Labour Market Partnership, **June Anonson**
2. Infiltration of Forest Fire and Wood Smoke: An Intervention Study to Assess Air Cleaner Effectiveness, **Prabjit Barn**
3. Mineworker Quality of Life In Remote Mining Communities: A Multiple Case Study in the Brazillian Amazon, **Silvana Costa**
4. Understanding Health Research Utilization by Rural Canadian Physicians, **Dana S. Edge**
5. Rationalizing Smoking Cessation Interventions in Northern British Columbia: Experience of a Randomized Trial of a Triage Tool, **Gavin Elder**
6. Health Effects of Air Pollution in Rural and Urban BC, **Catherine TJ Elliott**
7. An Alternative to Urban / Rural Definitions for Health Services Research, **Josée Gauthier**
8. Geographic Variations of Unmet Needs: Issues for health Services Research, **Josée Gauthier**
9. Women North: Innovation in Building Healthy Northern Communities, **Dawn Hemingway**
10. Injury Prevention in Small to Medium Aboriginal Enterprises, **Charles Horn**
11. Endotoxin and Dust Size Fractioned from Cage and Floor-Housed Poultry Operations, **Shelley Kirychuk**
12. Characterizing Workplace Violence in Rural vs. Urban Hospitals, **Rakel Kling**
13. A Stress on the Farm Initiative: Building Momentum, **Leanne LaBrash**
14. Neuropsychological Investigation of Individuals Reporting Work-Related Agricultural Exposure to Environmental Toxins, **Lisa Lejbak, Margaret Crossley**
15. Combining Mental Health and Addiction Services for Youth in Rural Northern British Columbia, **Timothy Lentz, Derek Dobrinsky**
16. Lessons Learned from Conducting Research With Northern, Rural and Remote Communities, **Nancy Lightfoot, Roger Strasser**
17. Family-Driven Practice and Practice-Driven Research in Northern Public Health Nursing: Making it Work, **Martha MacLeod**
18. Fostering Productive Rural Health Research Mentorshps, **Martha MacLeod**
19. Developing and Evaluating Rural Environmental Health Indicators: A Focus on Agricultural Pesticide Use and Risk, **Jennifer Magoon**
20. Growth, Viability and Acidifying Activity of Bifidobacteria in Goat's Milk, **M. Mahi**
21. Is It That They Just Don't Want to Know? A Study of Perceptions and Decisions About Breast Screening Among Northern Aboriginal Women, **Bruce Minore**
22. Sex Differences in Depression and Its Treatment, **Heather J. Prior**
23. The Relationship Between Exposure to Violence, Post-Traumatic Stress Symptoms and Substance Misuse in a Sample of Mi'kmaq Adolescents, **Marc Zahradnik**
